Mosey on over**

Actual Local Job: **Library Clerk!**

Good memory? People skills? Who, *me*???

The Camas County Public Library is looking for a part-time (10 hours per week), detail-oriented library clerk with computer experience, a good memory and great people skills.

Library clerks can expect to check books and other materials in and out of the library, work with audiovisual equipment from time to time, and assist cataloging library resources.

Other responsibilities include helping patrons use the public computers and printers, processing new library materials, repairing damaged books, sending out overdue notices, helping visitors find what they need, and setting up book displays.

Successful library clerks should have excellent organization skills and a kind, friendly demeanor. Ideal candidates will have a passion for reading and learning, good English, math and computer skills, and some customer service experience.

Library Clerk Responsibilities:

- Updating files
- Sorting and shelving books
- Registering new patrons
- Cataloging and processing new materials
- Maintaining records and sending overdue notices
- Checking in and out various library materials
- Assisting patrons wherever necessary
- Other responsibilities as assigned!

Library Clerk Requirements:

- High school diploma or equivalent
- English, math and computer skills
- Attention to detail
- On-the-job training! 🍷

Yard Sale “Thanks” from the Senior Center!

From Jenn Brown! “The Camas County Senior & Community Center want to say THANK YOU to everyone who donated items to our Annual yard sale and to those who came and purchased from it!

Because of you we had a VERY successful sale! Thank You So Much!!!!” 🍷

PUBLIC INFORMATION ANNOUNCEMENT

The RAC collaborates with federal land managers to recommend projects on federal lands or that will benefit resources on federal lands.

Nominations Open

To fill vacancies on The Southwest Idaho Resource Advisory Committee (RAC).

There are vacancies in the 15 member group. The Southwest Idaho RAC represents Ada, Adams, Boise, Elmore, Gem, Valley, and Washington counties and includes the Boise, Pzyette, Salmon-Challis (Middle Fork Ranger District), Sawtooth (Fairfield Ranger District) and Wallowa-Whitman (Hells Canyon NRA) National Forests. Currently the Southwest Idaho RAC does not have enough members to meet the required membership level.

Each nominee is required to submit a form AD-755 and a current resume to the RAC Designated Federal Official (DFO) Brian Harris, brian.d.harris@usda.gov, 500 N Mission Street, McCall, ID 83638.

Application forms (AD-755) can be downloaded from the Boise National Forest, <http://www.fs.usda.gov/goto/SouthwestIdahoRAC>.

APPLICATIONS ARE DUE July 19, 2019.

Camas County and Knife River fix student entry and exit zone!

Thanks, folks! The student drop-off and bus pickup zone on the north side of the Camas school is getting a makeover while school is out! The zone has sometimes offered a formidable obstacle course in freeze/thaw conditions: ice rafts and hidden potholes chin-deep for many K-3 scholars! The paving material comes from test batches produced at Knife River's temporary batch plant on 100 North. Thanks, Knife River! 🍷

Yup, it takes a village! Trans-Couch community pulled together Sunday to evacuate an injured horse-rider from Big Smoky! Thanks, folks!

Photo by EMT and USFS Forester John Pine

A Long, Long, Way! It's a long way from medical attention, up there in the Big Smoky area of the Fairfield Ranger District in the Sawtooth National Forest. Quite a few people visit the backcountry area over Couch Summit north of Fairfield, but few live there. So last Sunday, when a horse fell and rolled over on its young rider – not once, but several times in its attempt to get up – the over-the-hill community responded and communicated smartly to get the injured young rider to Boise for assessment and treatment. The responders included Kaylin Dennis of Smoky Bar Store, Forest Service workers, Camas County Sheriff's Office dispatchers, Camas County EMS, and Air St. Luke's. Above we see USFS responders watching as the Air St. Luke's helicopter, with patient on board, prepares to lift off for Boise. 🍷

Weekly Beaver No-Fee Time Machine: Last Week, Part 1! The Huge and Nearly Riotous American Legion Centennial Birthday Party on Thursday! July 4!

100 years ago, right after the end of The Great War – the War to End All Wars – the American Legion was founded. And 100 years ago, the Fairfield American Legion Post was founded and named after Elmer Miller, a soldier in the American Expeditionary Force who was killed in that long-ago war. Elmer Miller was from Corral. Last Thursday, July 4, the Elmer Miller Post hosted a grand 100th Legion birthday party as a gift to the Camas community and as a lively memorial to the men and women who've served in uniform. Above, Eldon Ashmead of Corral, the Fairfield Post's senior legionnaire, ceremoniously cut the fancy cake, one of six presented at the block party. The Legion laid out a formidable lunch for hundreds of diners, and sponsored a sack race! Thanks, and happy birthday to Fairfield's Legion post and to its sibling posts everywhere. 🍷

Weekly Beaver No-Fee Time Machine: Last Week, Part 2! Open House at the new Moon Rock Film Studio in Fairfield on Saturday!

See you at the movies! Well, start with “Aurora,” a short science fiction/dystopia movie (screen grab above) made by Moon Rock Film Studios in 2014 at their earlier location in Australia! Snazzy, smart movie! It’s on YouTube! A prize-winner! It also marked the meeting and marriage of Tariya and Chris Wells, who (five years later) welcomed the community last Saturday to Moon Rock’s new digs on Fairfield’s Main Street! Check them out on Facebook! Or on YouTube! Or at the studio, where the blue screen meets the green screen! The Wells plan a peppy schedule of workshops and projects so that Camas people can learn, have fun, and make movies! ❤️
