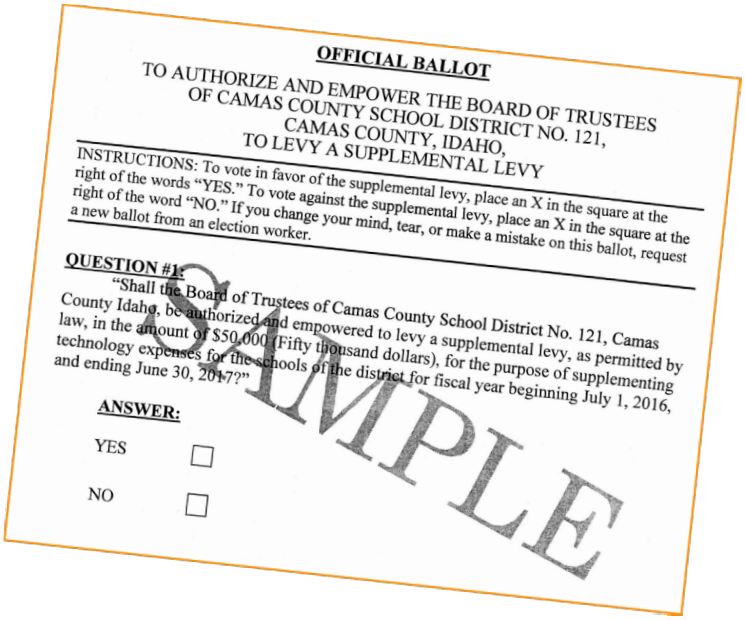
Dear Parents and Patrons of Camas County!

"The process of budgeting for Idaho schools has been established by laws passed by the Idaho Legislature. However, currently Idaho's funding per student – the primary source of educational funding – is 10.9 percent below the 2008 level. As a result, most Idaho districts have been forced to pass supplemental levies. In fact, the supplemental levy amount throughout the state has increased from $79.1 million to $186.6 million.



OFFICIAL BALLOT

TO AUTHORIZE AND EMPOWER THE BOARD OF TRUSTEES OF CAMAS COUNTY SCHOOL DISTRICT NO. 121, CAMAS COUNTY, IDAHO, TO LEVY A SUPPLEMENTAL LEVY

INSTRUCTIONS: To vote in favor of the supplemental levy, place an X in the square at the right of the words "YES." To vote against the supplemental levy, place an X in the square at the right of the word "NO." If you change your mind, tear, or make a mistake on this ballot, request a new ballot from an election worker.

QUESTION #1:

"Shall the Board of Trustees of Camas County School District No. 121, Camas County Idaho, be authorized and empowered to levy a supplemental levy, as permitted by law, in the amount of $50,000 (Fifty thousand dollars), for the purpose of supplementing technology expenses for the schools of the district for fiscal year beginning July 1, 2016, and ending June 30, 2017?"

ANSWER:

YES ☐

NO ☐

SAMPLE

In the last nine years, Camas County School District has increased our supplemental levy amount by exactly **ZERO** dollars. That is a sharp contrast to what other school districts across the state have done. In spite of program reductions, conservative budgeting and frugal spending, we in the Camas District have experienced deficit spending four years in a row.

We have had the good fortune to be able to rely upon a healthy fund balance for the past several years, but it has become abundantly clear that to maintain even minimal programs, we now need to follow the path of other districts and, finally, ask our patrons to approve a $50,000 increase in our supplemental levy. This increase will be used to compensate for the major reduction in state support, including our ongoing technology needs, as well as the drastic reduction in Federal Forest revenues.

In approved on March 8 by Camas voters, the Supplemental levy will:

- Be for $50,000.
- Be for one year.
- Will offset deficit spending in the technology budget.
- Increase your property taxes by approximately $19.35 per year on am owner-occupied home valued at $100,000.

For the past several years, supplemental levies have become a matter of survival for Idaho school districts. Keep in mind that our School Board is one of the few that has not asked, in the previous years, for an increase in local funding! They would not do so now if it weren't in the best interest of our students. Thank you for your continued support within the Camas community and at the ballot box next Tuesday." - Jim Cobble, Superintendent of Schools, 208-358-1053
