## Start! Hole in the Sky discussion a week from Monday! At the Library!

**Your orders:** Get a copy of William Kittredge's famous memoir, *Hole in the Sky*, from the Library. Read it! Then, turn up at the Library on Monday, October 17, prepared to talk and/or listen to other readers and/or visiting scholar Dave Nicholas! Tell it like it is, and/or it ain't! This winter-long book series is possible because of a grant Marypat Fields wrote with help from Marilyn Ballard and Sara Donkersloot. We're ordered to attend! If we get our numbers up, we'll get more grants! 🍷

## Forrest Ballard jumps aboard the Board!!

CCD: "The Camas Conservation District appointed Forrest Ballard to its Board of Supervisors at the September meeting to fill the vacancy left by resigning supervisor Kevin Dugan. Forrest has been an active participant in the District for almost 2 years. Forrest was sworn in by Chairman Kevin Wear. Other news includes the filling of the local NRCS District Conservationist position. Derek Romer is now available to help with your conservation concerns and needs. We welcome both and look forward to working with them to accomplish our goal of taking available technical, financial and educational resources, whatever their source and focus, or coordinate them so that they meet the needs of the local land owner/user for the conservation of soil, water and related resources of Camas County." 🍷

Forrest and Kevin make it official!

### *Letter: Water, Water!*

**Dear Editor:** There's a saying in the West that water is worth more than gold. That couldn't be more true for citizens in Legislative District 26 which includes Blaine, Camas, Gooding and Lincoln Counties. Representative Steve Miller protected this precious resource by voting to fund aquifer recharge and water storage. Water is critical for Idaho's economy and well-being. Miller works to resolve water issues within Idaho. United we can protect Idaho's water from outsiders who would take it from us. Miller has served on the Camas County Soil Conservation District Board of Supervisors for 38 years. He was president of Idaho's Association of Conservation Districts, and served on the National Association of Conservation Districts' Executive Board. Those years of voluntary service to his community, the state and the nation put him in good stead to fight for Idaho's water right and encourage conservation. I ask you to vote for Steve Miller. He has the experience needed. -- **Maureen Schwendener, Ketchum, Idaho**

### *Letter: Educator in the Legislature*

**Sally Toone: Investing in our Youth Invests in the Future!** Idaho District 26 is fortunate to have Sally Toone as a candidate for the state legislature on the ballot on November 8. Sally "gets" Idaho. She, like me, is a native Idahoan. Sally has spent 37 years teaching in the Gooding and Wendell school districts. She has taught

for CSI at both the Gooding and Blaine County campuses. She hails from a farm and ranch family with history in both Gooding and Camas Counties. With profound connections throughout our district, she understands the diversity both within and across our communities.

As a fellow educator, I find it easy to support a skilled and dedicated teacher. Good teachers are dedicated and hard working because they care. They don't choose a career based on money. They love to learn, which is what entering the political arena requires. Educators are a passionate bunch. Fully aware that our youth truly are the greatest resource for the future, Sally will work hard to bring creative solutions to funding education so that our kids will be the kind of employees that new businesses will want to hire. Well-prepared students today will translate to creative business owners and civic leaders that contribute to the prosperity of all families in our rapidly growing state.

I'm voting Toone this November 8 because Sally Toone is the right choice. -- **Victoria Roper, Hailey**

## **PASSAGE: Rollie Bennett, Longtime Camas County Clerk**

Ford "Rollie" Bennett, 72, of Lind, Washington, passed away on September 24, 2016 unexpectedly in his own home.

The funeral service will be held October 8<sup>th</sup> at 2:00 pm at the Fairfield Legion Hall. Burial will be at the Hill City Cemetery, followed by a gathering and celebration of life in Hill City, Idaho.

Rollie was born in Yerington, Nevada, on May 8, 1944. He was raised on the Camas Prairie and attended elementary school at the County Line School in Hill City, Idaho, a school built by his grandfather, Nels Malcolmson.

The remainder of his school years was spent in Wendell, Idaho with summers returning to the "Ranch" in Hill City, Idaho. Rollie graduated from Wendell High School in 1962, and continued on to Idaho State University where he met and married Nance (Bell) Strickland in 1965. Together they had three children, Angela, Jade and Blake. They were later divorced in 1993. In 1995, he married Rose Meyers and helped raise KC Davis. They divorced in 2007.

Rollie started his career working for the AEC Project in Idaho Falls, followed by a job in California which involved creating radioactive isotopes used in various experiments, often for cancer treatments. After leaving the lab, Rollie became involved with the Rainbow sales group, working his way up to management and eventually moving to Boise to open up new franchises for Rainbow Enterprises. In 1981, Rollie moved his family home to the "Ranch" in Hill City, Idaho.

In 1983, he successfully ran for public office and became the Camas County Clerk. After serving for 28 years as the county clerk, Rollie retired in 2011 and moved to Lind, Washington.

Rollie is survived by his three children, Angela (Tim) Schultz of Harrison, Idaho, Jade (Dena) Bennett of Cedar Valley, Utah, and Blake (Janet) Bennett of Lind, Washington.
