Freegold Bridge construction! ■ October 10, 2018: The Tooth, the Whole Tooth, and Nothing But the Tooth!

Overview! The Piney Fire!

The prairie foothill fire was declared contained last Friday, thanks to the work of Fairfield volunteers and BLM/USFS forces! This exclusive actual flying machine photo shows the fire's point of origin at lower left and the path of the blaze eastward along the foothills north of Highway 20. The photo also reveals how the fire leaped the jackalope migration corridor visible along the streambed visible in mid-photo! 🍷

Flying machine photo by Winston Ellis, of course.

Sunday: Day of the Jackalope!!! The Food Channel comes to the Wrangler!

We're all invited to the Wrangler sometime "early" on Sunday, when the beloved Food Channel show "Diners, Drive-Ins, and Dives," known to fans as Triple-D, will come to the Wrangler to film a gustatory encounter with the Wrangler's famous and formidable Jackalope Burger, a reputed two-pounder with bonus ingredients!!!! Triple-D is a long-time favorite on the Food Channel, and here's what the network says about it: "Host Guy Fieri takes a cross-country road trip to visit some of America's classic greasy spoon restaurants — diners, drive-ins and dives — that have been doing it right for decades." Wrangler Manager Kathy Stephens says the dining crew and the film crew intend to come by "early," though we have no idea what "early" means in show business talk! Gawkers and lookie-loos are welcome to be there to gawk and look! The Wrangler has been doing it right for decades! 🍷

Job opening! Camas County Adult Misdemeanor Probation Officer!

There is an opening for the Adult Misdemeanor Probation Officer! Apply at the Courthouse! Applications will be accepted through October 19. The position is part time, with a typical load of 4-7 hours per month, with occasional periods of higher activity. 🍷

Conservation District seeks Volunteer Supervisor!

The Camas Conservation District has an opening for a board supervisor. This position will fill, until 2020, the term held by the late Bill Davis. The CCD board will appoint a new supervisor to fill this position, which is non-salaried and filled by election every four years. Meetings are held the third Tuesday of the month. If you are concerned about conservation issues and would like to help, please consider this opportunity for service. Interested individuals may contact the Camas Conservation District at 208-764-3223, email camasscd@yahoo.com. 🍷

Job Opening! Part-time Deputy County Clerk!

The Camas County Clerk's office is accepting applications for Part-Time Deputy Clerk to perform a variety of tasks pertaining to the operation of Court Services/Auditor/Recorder. Must be proficient in Microsoft Office. Position office hours 9:00 a.m. to 5:00 p.m., Tuesday, Thursday and Friday.

Wage and Benefits will depend on experience. Applications are available at the Camas County Courthouse or send resume to Camas County Clerk, P.O. Box 430, Fairfield, ID 83327. 🍷

Real Estate! Fairfield Special!

FAIRFIELD SPECIAL: Recently remodeled and ready to move in. THREE bedrooms plus LOFT, 2 baths on 1/2 acre. Additional buildings plus lean-to for three autos, beautiful views and privacy. Call for Stella appointment, easy to show. 208-726-3046

Camas County Public Library Foundation Annual Meeting!

Next Wednesday!

The Camas Library Foundation will be holding its 2018 Annual Membership Meeting Wednesday, October 17 at 6 p.m. in the library meeting room. The main order of business will be to elect two new Board members. Also, Chairman Ted Miller will give a brief account of what the Foundation has been doing and what is being planned for the coming year. Refreshments will be available and will consist of a variety of digestibles prepared by Cheryl (from The Cliff), which will undoubtedly be delicious. All Library Foundation members are invited to attend; you'll have time to enjoy visiting with friends, eat some great food and find out what's been going on at the library. 🍷

Opposed to Proposition 2!

by Jeff Kreyssig

In this November's election, we have an important initiative on the ballot: Proposition Two, advocating Medicaid expansion in Idaho.

What does this Proposition call for? It expands the existing Medicaid program to 100% taxpayer-funded "free" medical care to healthy able-bodied adults up to age 65 whose income is 133% of the federal poverty level or below and who are not eligible for other state insurance coverage. While health care for all Idahoans is important there are a number of serious issues with Prop 2.

1. It has no pathway for funding. Unlike other states like Utah and Montana who have identified tax increases, Idaho's Prop 2 does not. The final version of the Milliman Report estimates a \$105 million increase in spending for this expansion for Idaho over 10 years. That's after all the "savings" that the proponents are claiming and the Federal support of 4.6 billion. Note* The report was revised 7 times.
2. The Feds are currently paying 90% and states that have enrolled are paying 10%. That agreement is through 2020. Who knows what happens after that. Once you start the program it will be really hard to say "sorry" and reverse the train. You own it.
3. All 33 states that have expanded Medicaid coverage to cover "able-bodied" individuals have found they grossly underestimated the number of enrollees. In many cases it doubled what was expected. Medicaid was NEVER meant to cover people able to work. Currently it covers; Children who meet a % of Federal Poverty Level (FPL), Pregnant women: up to 133% of FPL, Parents: 20% of FPL, Disabled adults needing long term care. Why are we adding "able-bodied" childless adults?
4. This expansion is going to create yet another source of the Government "Dole".

Jeff Kreyssig

More big government, nanny state politics and a false platform for some politicians to champion. Despite what you may hear, the Idaho State Legislature is trying to address this issue. A proposal is being floated to move some of the worst cases to Medicaid, and encourage "able bodied"

people to work so they can be accepted by the ACA. We do not want to jump into this with both feet until we know how deep the water really is...

Sally Toone: "Smart & Articulate"

Dear District 26 Voters:

Once again I am asking you to support Sally Toone as our District 26 Representative for Blaine, Camas, Gooding and Lincoln Counties. My support has nothing to do with whether she is a Republican or a Democrat. It is because Sally relates to the farmer, the businessman, the educational community, and of course, all of them as taxpayers. She also relates to other Idaho decision-makers. Her ability to make rational decisions and communicate with other legislators contributed to a very successful first term as one of our current District 26 Representatives.

Sally is a third generation educator and has the invaluable experience of a 37-year career as a math teacher in the Wendell and Gooding school districts. This experience allows her to relate to and understand the needs of our most precious asset; our children. Sally also understands the unique challenges of farmers and ranchers. She and her husband Mark, third generation farmer/rancher, own and operate family farms and cattle ranches in Gooding and Camas counties. Their two sons, along with their families, have returned to Idaho to raise their children and continue the family agricultural business.

As a long-time resident of Southern Idaho she understands the different situations that exist in our small rural communities and will work tirelessly with commissioners, school trustees, constituents and fellow legislators to find ways to solve our unique needs. She will do it in a way that is fiscally responsible.

I've personally known Sally for well over 20 years and consider her a great communicator. She is not only smart and articulate, but has the rare ability to listen, consider, and respond with logic and insight. In any organization, political or otherwise, a diversity of ideas and opinions makes for stronger and better decisions.

Sally Toone has the right background to help Idaho prepare for the future. Please support Sally this November.

Julie Lynn: "A Mentor and Leader"

Julie Lynn has the composure of an Idaho State Senator who has been battle tested - and for good reason. Julie is retired military. We thank you, Julie, for your service to our country.

Saying Julie Lynn has a unique background would be an understatement. She is a 4th-generation Idahoan. She understands the importance of leadership. She values skills, insights, and abilities that bring people together to empower and mentor others. She is a mentor and leader of the Girl Scouts. I salute Julie and recognize her bold inspirational leadership. Julie's leadership will embolden her in the State Senate.

Julie's passion for writing and her degree in journalism have served her well in helping other candidates attain their positions in the political field. Right now Julie is working hard, delivering on her goals, and keeping everything in perspective. Julie wants to make a difference and have an impact every day. Julie believes it is important to have an opinion and be comfortable sharing it.

Julie is smart, balanced, knowledgeable of the political process, takes a strategic view of a situation in formulating her responses. Julie believes the healthy discussion of issues is critical when you need a plan of action. Julie would always be there for her constituents.

I am voting Julie Lynn for State Senate District 26. She is the BEST Candidate for the job.

Three Candidates: "Education is a top priority"

Dear Editor,

The Camas County Democrats support three local candidates who are running in the November 6 mid-term election: Michelle Stennett, Sally Toone, and Muffy Davis. All three of these women believe that education is a top priority as are clean air, protecting our water, and assuring public access to Idaho's lands.

We believe these three candidates will uphold Idaho's values and continue to listen to the people of Idaho. Remember to vote on Tuesday, November 6.

Connie Reagan, Communications Director

Steve Miller: "He has displayed common sense"

Dear Editor

I am writing this letter of support of Rep. Steve Miller in his bid to represent District 26 in the Idaho House of Representatives. I have worked closely with Rep. Miller during the past six years, and I am happy to endorse him for re-election.

Rep. Miller currently serves on three committees, namely, the Agricultural Affairs Committee, the Resources & Conservation Committee, and the Appropriations Committee. In these committee assignments Rep. Miller is able to advocate for the important agricultural and natural resources interests of District 26. He has been a strong voice on the Appropriations Committee for increased education funding, working toward continued improvements for Idaho's students.

Rep. Miller has displayed common sense in dealing with the complex issues that come before him, both in his committee

work and in his district. Because he is not afraid to devote himself to learning all he can about an issue, I know Rep. Miller deals with difficult legislative issues from a position of knowledge, prudence, and good judgment. He has worked hard to become a more effective legislator, learning how to work collaboratively with his colleagues. He is conscientious, thoughtful and deliberative, and is clearly dedicated to serving his constituents well.

I encourage you to re-elect Rep. Steve Miller as your representative from District 26. He has served his constituents, and the state of Idaho, with dedication and distinction, and I fully expect that he will continue to do so in the future. I endorse him without reservation.

Scott Bedke, Speaker of the Idaho House of Representatives

Well Study Bid Solicitation, Camas Conservation District

The Camas Conservation District is accepting bids to measure water levels from April to November.

Overview: The CCD is accumulating data on depth to water on selected wells within this study. Water measurements will be taken five (5) times during the season. The information will be recorded in ink, on the provided data sheet to be submitted for review.

Activities:

1. The contractor will provide a personal vehicle including all fuel and maintenance of said vehicle. Mileage will not be reimbursed.
2. All wells will be pre-selected by the CCD Board of Supervisors.
3. Data collected by the contract worker will be submitted to the district at the monthly board meeting following the data collection date on the third Tuesday of each month.
4. The District will provide a 500' electric measuring tape, batteries and disinfectant wipes.
5. The contractor will follow specific protocol including sterilization of tape prior to and following measurement of each well.
6. The wells will be visited once at the beginning of the month of April or as conditions permit, then four (4) other times during the season. Dates will be determined by the CCD Board of Supervisors. Tentative dates are as follows:
 - a. First week in May, prior to irrigation commencement
 - b. First of July, after snow melt.
 - c. End of August
 - d. November, after irrigation termination.
7. The District will provide training to the contract worker.
8. Payments to the contractor will be made once monthly at the CCD meeting third Tuesday of the Month.

Bids may be dropped off or mailed to: Camas Conservation District, PO Box 156, Fairfield ID. 83327 or office located at 403 Soldier Rd, South Door of Strickland Reality. 208-764-3223 office open Tue, Wed. Thurs. 9-12

Book Discussion Monday! *Food: A Love Story!*

Speaking of **jackalopes**, the second “Let’s Talk About It” book discussion will be held Monday, October 15 at 6.p.m. in the library meeting room, the **very next day** after **Jackalope Worldwide Fame Day** at the **Wrangler!** And you think this is a *coincidence*??????? The book being read for this program is *Food: A Love Story* by Jim Gaffigan. Gaffigan is a best-selling author, comedian, and actor, and this book is stuffed to the covers with tasty humor, often of the irreverent kind! Books are available now for check-out at the Camas County Public Library. The public is invited to take part in this program and discussion, augmented by refreshments! 🍷

Roy Mink, Ph.D., makes a geothermal homecoming! Hey, Røyl!

Dr. Mink by the tent full of Ph.D.s

Get down, Roy! 2,000’ down! The DOE/Utah State geothermal research drilling project west of Fairfield hit bedrock last week at 1,100’+, and began cementing and core-drilling operations to evaluate the conjectured existence of a high-temperature hydrothermal resource down below that might allow the generation of electrical power! The project spurred a field trip and hometown visit by distinguished Corral homeboy Leland “Roy” Mink, a University of Idaho geology Ph.D. with a long career in the geothermal power generation industry. Mink served as DOE’s Program Director for Geothermal Technologies in 2003 through 2006, and was a board member of U.S. Geothermal, which owned and developed geothermal power plants in Idaho and Oregon – the Raft River and Neal Hot Springs plants. Reservoir tests at the Camas-1 well are scheduled for this fall. 🍷

Crossing over! Camas County Road and Bridge are nearing completion on a spectacular new bridge over Soldier Creek at Freegold Gulch. The old Freegold Bridge was fatally damaged in the 2016 floods, and the new bridge is being replaced with flood damage funding assistance from the Idaho Office of Emergency Management. The Freegold Gulch crossing, though vexed with seasonal water due to beaver dams and jackalope habitat immediately downstream, is a vital access to public land on the south side of the Soldier Mountains! 🍷
