Home game Friday at 6!!! Last Musher basketball game of the season tonight! Versus TFCA!

Last home game! That means it's Senior Night! Tonight's seniors are Remington Kramer, Zach Reedy, and Jaydon Rossman! The three have been formidable starters for one of the flashiest and exuberant Musher varsity teams in years. The Musher boys, as the conference season closes, are seeded at second place (tied with two other teams) with the District tournament scheduled for next week!

Accounting Assistant job at High Country Fusion in Fairfield!!!!!

Come work with a great team at High Country Fusion in Fairfield. We're now hiring for an accounting assistant position. High Country Fusion is a division of Consolidated Pipe & Supply Company, Inc. out of Birmingham AL. We are part of a team of more than 800 employees and over 55 locations across the US.

We offer great benefits that only large nation-wide companies can provide like Generous Vacation time, Medical/Dental/Vision Coverage, 401k, Profit sharing, twice a year bonuses and more, yet as a division we create that small company feel that you aren't just lost as a number.

We are looking for someone that can review details for accuracy and research or question any discrepancies or missing information. Manage large spreadsheets that include macros, Keep track of rental cycles, Process invoices, statements, deposits, research projects, and other accounting functions.

So, if you are tired of driving to the Wood River Valley in the morning with the sun in your eyes, or just looking for a change, why not send us a resume?

Travel from & to Gooding can be supplemented with our "Ride Share" Program.

Email: Hcfc@hcfusion.com or Mail: High County Fusion, Attn: Human Resources, PO Box 509, Fairfield, Idaho 83327 or drop off at 20 N Poly Fusion Place, Fairfield, ID (1 mi W of Fairfield). ■

Sawtooth Avalanche Center – the Bottom Line for Friday!

Keep an eye out for wind-loaded slopes! To get up-to-date info, check the site: sawtoothavalanchecenter.com!

Soldier Mountains – Bottom Line

Watch for and avoid steep slopes with large wind drifts. In areas where the total snowpack depth is less than about 4 feet, you may be able to trigger thick, scary avalanches in both exposed, windy areas and in more sheltered terrain.
